Editors' Reception

It is our pleasure to announce that we will host a Chambers Editors' Reception on Tuesday, 19th March in Santiago, Chile.

About the event

Chambers Editors' Receptions provide unique networking opportunities, allowing you to interact with in-house counsel and representatives from the world's best law firms – as ranked by Chambers.

Why sponsor a Chambers Editors' Reception

Sponsoring a Chambers Editors' Reception affiliates your company or firm with Chambers and Partners, allowing you to network with the world's leading lawyers in your target market.
You will have exclusive brand presence throughout the whole event cycle and marketing campaign, and your logo will appear in the Editors' Reception section of our website for a whole year.

"It was a great opportunity to network with clients and colleagues in the US and abroad. Everyone was very friendly and engaging."
Richard A. Johnson, Partner at Waller – sponsor of previous Chambers Events
